1. The reply filed on June 5, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It is noted that the restriction/election requirement mailed May 4, 2006 indicated that applicant must include an identification of the species that is elected consistent with the requirement, and a listing of all claims readable thereon. Applicant elected Species A which is consistent with the first part of the election requirement, but then indicated that "at least claims 20, 21, 23 and 25-36 read on Species A" thereby not fully satisfying the requirement since it is not clear if applicant believes more claims are to be included with the election. Applicant needs to clearly state the claims that are believed to read on the elected species [in the next response] so that an action on the merits may proceed in accordance with applicant's intent. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James O. Hansen whose telephone number is 571-272-6866.
